## Winter League 2023/24

Results to:

**Christmas**

	Team	Points
	Cupid	7.5
	Europa	7.5
	Bianca	6
	Francisco	6
	Arche	5
	Helene	5
	Dione	4
	Ganymede	4

So, as we break for Christmas there's a new leader at the top of the board! But it's all very close, so all to play for and a long way to go.

Just a very gentle reminder about the concept of the winter league; it's a team game so players are encouraged to turn up ready to start, support and score from 7:20pm.

We know this isn't always possible so please ensure if there's any deviation from this your team and the opposing team members are all aware of the changes. It really helps.

If you need a sub, there's plenty to choose from which is preferable to rearranging your match. Subs are a real help to the format of the competition and are encouraged to help out with scoring if they can, but I don't think any of us should be surprised if they say they can only stay for their match.

The Winter League is a great way to improve your squash, play new opponents and, most importantly, have fun.

Enjoy the break. The league starts again w/c 8th Jan 2024

All the best!

Brian
